A \$6.8 million settlement has been reached in a class action lawsuit against Florida Health Sciences Center, Inc. d/b/a Tampa General Hospital (“Defendant”) arising out of a Data Security Incident that occurred in May 2023, by an unauthorized third party that included access to Defendant’s network and potential access to individuals’ Personally Identifiable Information (“PII”) and Protected Health Information (“PHI”) (collectively, “Private Information”). Defendant denies the allegations in the lawsuit.

**Who is Included?** You are part of the Settlement Class because records show you were sent notice by the Defendant that your Private Information was potentially compromised in the Data Security Incident.

**What does the Settlement Provide?** You may be able to receive Cash Payment A or B and Credit Monitoring, subject to *pro rata* adjustments:

**Cash Payment A:**

- **Compensation for Ordinary Losses:** You may be eligible for reimbursement up to \$1,500.00 with supporting documentation showing that you incurred losses as a result of the Data Security Incident.
- **Compensation for Extraordinary Losses:** For certain documented monetary losses, you may be eligible for reimbursement up to \$7,500.00.
- **Compensation for Lost Time:** You are also eligible to receive reimbursement for up to four hours of lost time spent dealing with the Data Security Incident, calculated at a rate of \$25.00 per hour.

**Cash Payment B:** Instead of Cash Payment A, you may elect to receive a flat payment in the amount of \$125.00.

**Credit Monitoring:** In addition to either Cash Payment A or B, you may receive one year of free Credit Monitoring services.

You must submit a Valid Claim online or by mail postmarked by **January 12, 2025**. If you submit a timely and Valid Claim for payment, and if your Claim and the Settlement are finally approved, an email will be sent to you to elect your method of payment.

**Other Options.** If you do not want to be legally bound by the Settlement, you must opt out of the Settlement no later than **December 28, 2024**. If you do not want to opt out, you will give up the right to sue and will release any legal claims against the Released Parties, including Defendant, about the legal issues in this Action. If you do not opt out, you may object to the Settlement by **December 28, 2024**. The Long Form Notice on the Settlement Website has instructions on how to opt out or object. If you do nothing, you will get no Settlement benefits, and you will be bound by the Settlement.

The Court will hold a Final Approval Hearing on **January 27, 2025**, to consider whether to approve the Settlement, Class Counsel’s request for Service Awards to the Class Representatives, attorneys’ fees request of up to 33.33% of the \$6.8 million Settlement Fund, plus reimbursement of costs, as well as any objections to the Settlement, including the Service Awards, fees, and costs. You or your personal attorney may attend and ask to appear at the hearing, but you are not required to do so. The hearing may be held remotely, and if so, instructions will be at [www.FloridaHealthSettlement.com](http://www.FloridaHealthSettlement.com).
